III. Screenshot of Scrum board at the end of Week 1

Tasks Worked on this Week:

Task	Note
1	Administrative Work: - Team Charter - Proposal Draft - Setup Communication Channel
2	Week 1 Activities: - Status Report - Standup-Meeting Spreadsheet - Peer Evaluation - Power Point Presentation
3	Discuss and Finalize Topic with Team
4	Create GitHub Repository and File Structure

Current Issues:

Issues	Note
1	Learning on how to use Trello
2	Familiarizing with GitHub Repository
3	Initial Communication and Group Organization is a bit messy - This will take time to get use to the cycle - Members partly jumping off topic
